Thermo Fisher Scientific offers a comprehensive range of products and solutions supported by specialists with expertise in key medical divisions. Our flagship brand promed® continues to provide a "solutions based" approach to customer needs specialising in clinical apparel, operating room equipment, packs, drapes, disinfection solutions and accessories. Our products are readily used within hospitals, general practices, dentists, laboratories, optometrists, physiotherapists and veterinary practices. Responding to the needs expressed by our Healthcare customers, the promed® brand has expanded its range, continuing to offer quality commodity products.

Please call our friendly customer service team now on 1300 735 297 to receive more information on the promed® collection and how we can work together to meet your needs.

- Sterile, single-use, ready to go - saves time and money when compared to reprocessing through CSSD
- Certification - CE marked
- Colour-coded blue handles - for easy identification as single use
- Sterility guaranteed
- Molded peel pouch - easy to open, reducing instrument movement in pouch
- Sensitivity tested to ISO 10993
- Tip-protecting caps on all sharp points
